Sir:

Applicants cite the information on the attached Form PTO SB/08, "Information Disclosure Statement by Applicant," pursuant to 37 C.F.R. §§ 1.56, 1.97, and 1.98. Applicants have enclosed copies of cited foreign patents and non-patent literature.

Related applications are listed on the attached Appendix A for your reference. Applicants respectfully request that the Examiner review the publications and/or applications and patents listed in the Appendix A, initial Appendix A in the appropriate spaces, and return a copy of the initialed Appendix A to Applicants.

The citation of this information does not constitute an admission of priority or that any cited item is available as a reference, or a waiver of any right the Applicants may have under applicable statutes, Rules of Practice in patent cases, or otherwise.

This Information Disclosure Statement is being filed before the receipt of a first Office Action. No fee is required by 37 C.F.R. § 1.17(p). The Commissioner is authorized to charge any additional fees necessary for consideration of this paper, or to credit any overpayment, to Deposit Account No. 11-0980.

Alexandria VA 22313-1450

Sir:

Applicants direct the Examiner's attention to the below-listed patents and patent applications, including the prosecution history of each item, which are related to the above-identified application by continuation/divisional status, inventor, and/or technology area. Please review and initial each listed application and patent, indicating the Examiner's consideration of this information, and return a copy of the initialed Appendix A to the Applicants.

The application numbers of the below-listed unpublished U.S. patent applications are listed on this form as provided in MPEP § 609.06, rather than a PTO-1449 form, to avoid the application numbers of the unpublished U.S. patent applications being published on any patent that may issue from this application. **Applicants do not waive the confidential nature of any of the below-listed patent applications.**
